STATUTORY RIGHTS

These guarantees are additional to and do not in any way affect the statutory rights of the buyer.

GUARANTEES

We are so confident in the quality and design of our products that we provide a registrable two year guarantee (subject to receipt of product registration) against defects in materials and workmanship on all products (except bottom grates). This can be extended to 10 years on solid fuel open fires and 5 years on inset and freestanding stoves.

Register at www.jetmaster.co.uk/guarantee. All guarantees must be registered within one month of purchase. Full details are available on request.
